

# Covid 19

At Hotel Kalafati we are focused on the health and safety of all our guests without compromising the quality of our services during your stay

## Our precaution measures include :

Enhanced cleaning and sanitization of guest rooms

Hand sanitizers in every room

Frequent sanitization of high-contact points, such as elevator buttons, door handles, reception counter, and POS, bathrooms and lobby area

Hand sanitizers placed at guest contact areas, such as hotel lobby and WC area

Provision of medical masks and gloves for our guests upon request, subject to availability.

Please feel free to ask the Front desk for any further information
